## FOREWORD

The Pennsylvania Real Estate Brokers' License Act was passed by the 1929 Session of the General Assembly to protect the public from misrepresentation and fraud and to provide protection for those legitimately engaged in the real estate business. Amendments to the Act have been enacted at subsequent sessions of the General Assembly to raise the qualifications of those desiring to be licensed as real estate salesmen and real estate brokers. Similar license laws have been adopted by thirty-one other states.

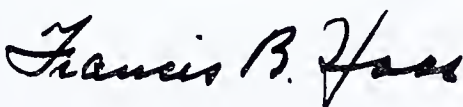

The Department of Public Instruction with the assistance of an Advisory Committee is charged with the responsibility of administering the Real Estate Brokers' License Act in Pennsylvania. The members of the Committee are appointed by the Governor from a list of qualified persons submitted by the Pennsylvania Real Estate Association. Examinations are conducted, licenses issued, complaints of alleged violations investigated, and hearings for the suspension or revocation of licenses are held.

The following fees are required to be paid to the Department by licensees:

Real Estate Salesman's License	\$5.00
Annual Renewal Fee .....	2.50
Real Estate Broker's License .....	10.00
Annual Renewal Fee .....	5.00
Annual Renewal Fee for each additional office or place of business .....	2.50

Applications for the renewal of a real estate broker's or salesman's license must be made to the Department annually on or before February 28. As required by law, the Department herewith includes a list of the duly licensed real estate brokers and salesmen and branch offices arranged alphabetically by counties.

June, 1942.
